

Huawei M750 Battery Replacement

Use this guide to replace the battery in Huawei M750.

Written By: Kshitiz Thapa

INTRODUCTION

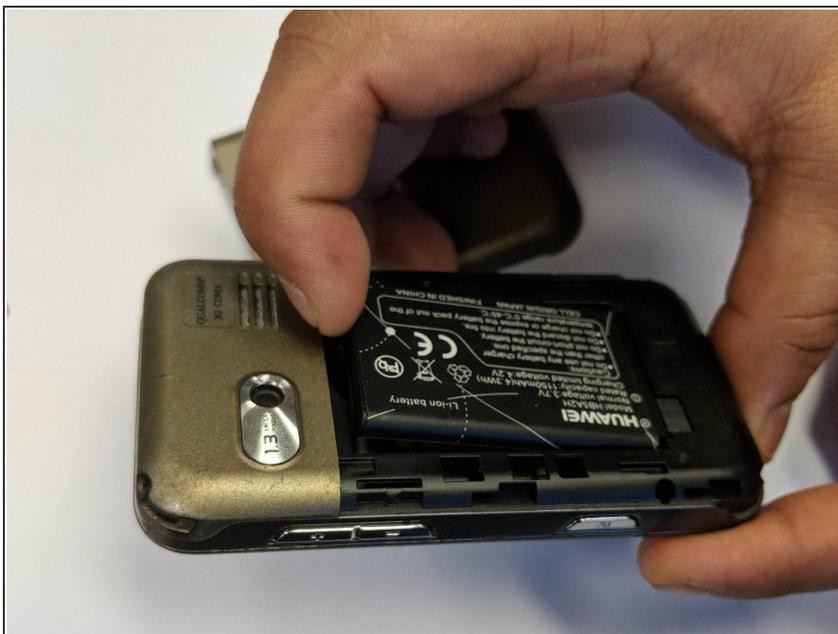

This guide will show you how to replace the battery for the Huawei M750 cellphone.

Step 1 — Battery

- Depress the top of the battery cover, and pull downwards towards the base of the phone.

Step 2

- Remove the battery by levering the battery out, using the cut just below the camera.

To reassemble your device, follow these instructions in reverse order.
