INTRODUCTION

In this guide, we will be showing you how to remove and replace the Battery.

Step 1 — Close the Display

⚠️ WARNING: Before working inside your computer, read the safety information that shipped with your computer and follow the steps in "Before You Begin".

● Close the display and turn the computer over.

Step 2 — Sliding the Release Latches

● Slide the battery release latches to the unlock position.

Step 3 — Removing the Battery

- Lift the battery out of the battery bay.

Step 4 — Align the Tabs

- Align the tabs on the **NEW** battery with the slots on the battery bay and snap the battery until it clicks into place.
