INTRODUCTION

This guide will show you how to access and replace the lens of the camcorder. It will also act as a prerequisite to most of the internal components.

🔧 TOOLS:

- Phillips #000 Screwdriver (1)
- Tweezers (1)

Step 1 — Outer Shell

- Remove the strap by undoing the Velcro and pulling it through the thread points.

- Remove the external battery pack by pressing down on the slide release and sliding it out.

Step 2

- Remove the three 5mm Phillips #000 screws on the bottom of the device.

This document was generated on 2020-11-28 06:58:22 AM (MST).

Step 3

- On the side of the device, remove the following Phillips #000 screws:
  - One 3mm screw
  - One 5mm screw

Step 4

- Remove the panel opposite the display by pulling up perpendicular to the side.

This document was generated on 2020-11-28 06:58:22 AM (MST).

Step 5

- Remove the 4mm Phillips #000 screw that was exposed after taking off the side panel.
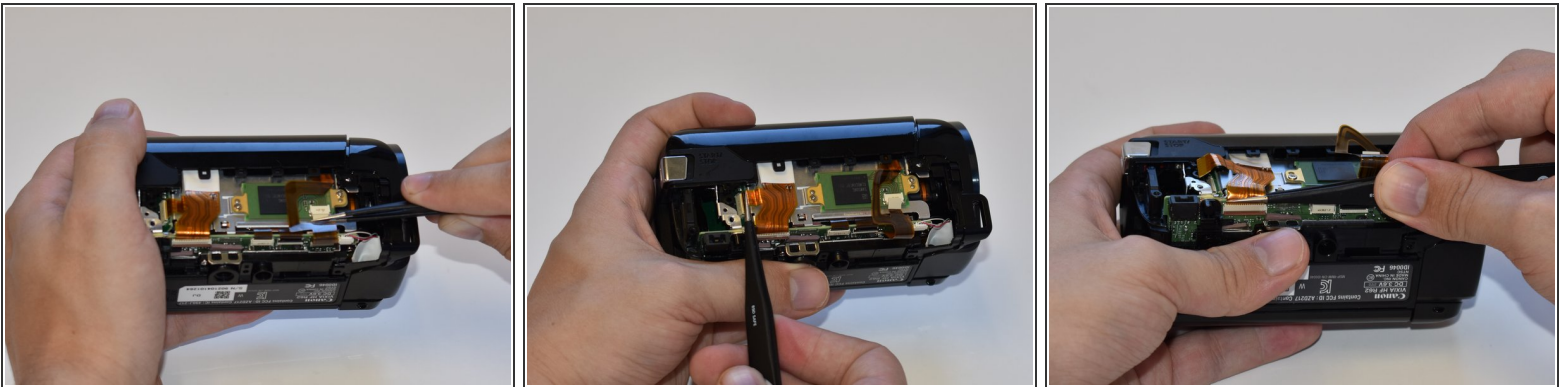

Step 6

- Remove the three 4mm Phillips #000 screws shown.

- ⓘ There will be foam covers protecting some or all of these screws. These will need to be removed before you will be able to unscrew them.
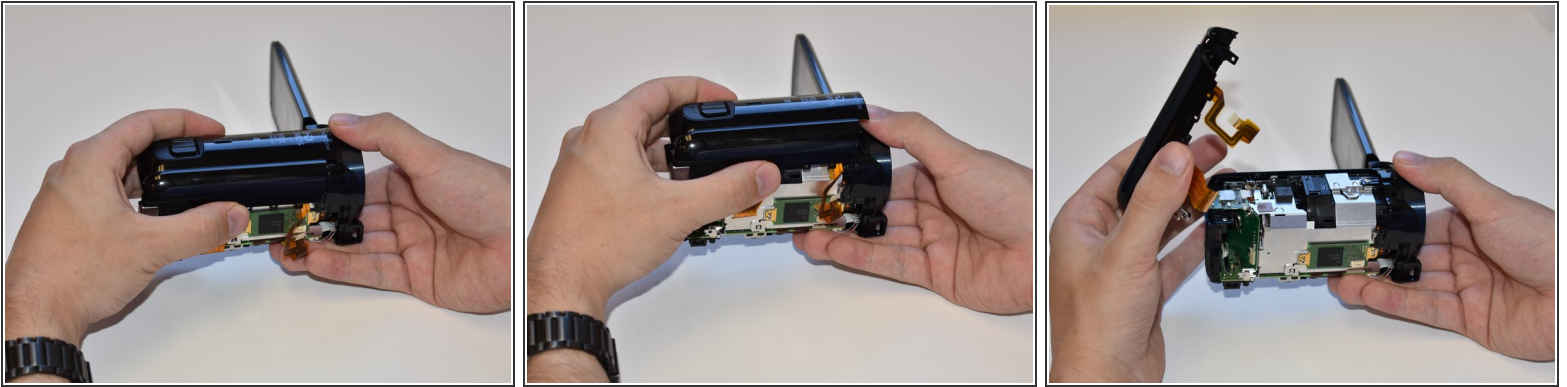

Step 7

- Using tweezers, disconnect this ribbon cable by pulling straight out.

Step 8

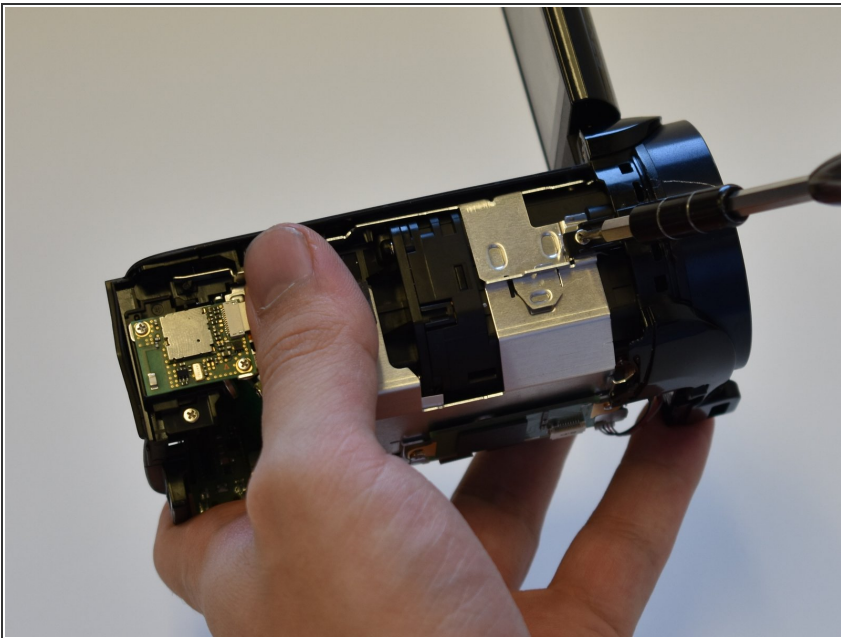

- Repeat step seven (7) for the remaining three wires shown.

Step 9

- Grasp the top of the camera and pull straight up to remove the top panel.
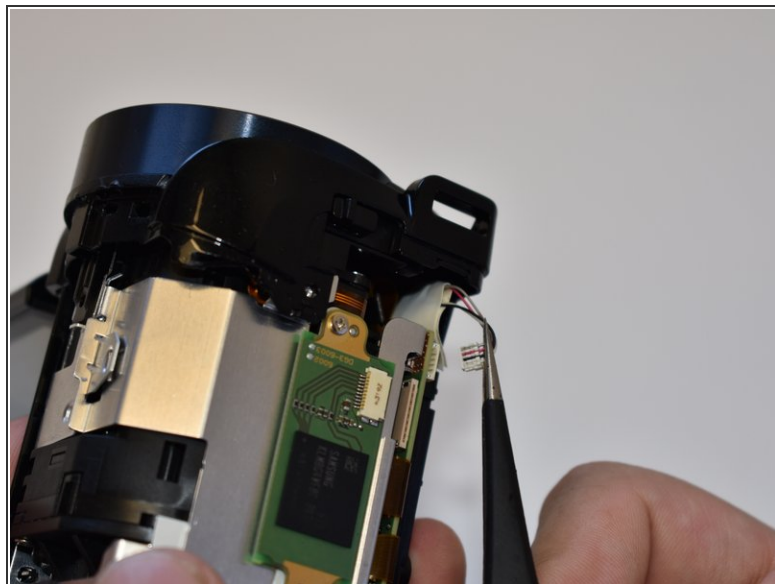

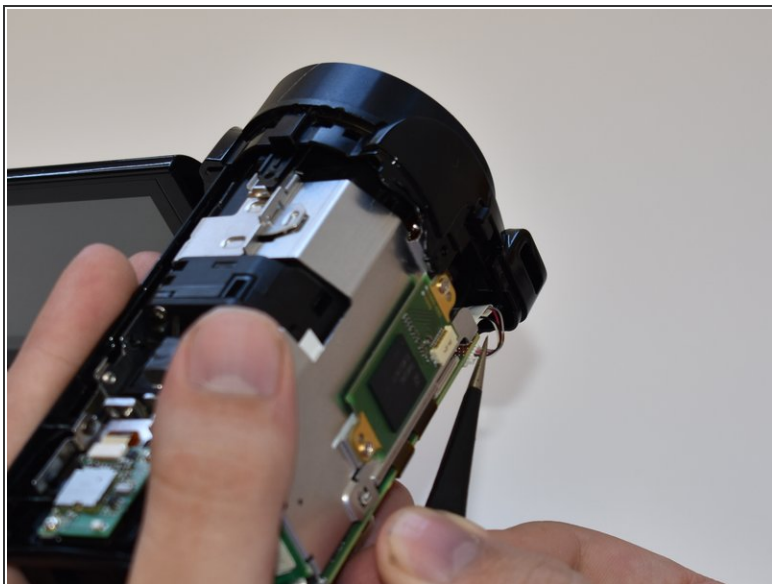

Step 10 — Lens

- Remove the 5mm Phillips #000 screw on top of the inner case.

Step 11

- Remove the two 5mm Phillips #000 screws near the display panel.

Step 12

- Disconnect the small bundled cable connector on the side of the lens cover by pulling it straight out.

Step 13

- Remove the lens cover by pulling straight away from the body.

Step 14

- Remove the three 6mm Phillips #000 screws shown.

This document was generated on 2020-11-28 06:58:22 AM (MST).

Step 15

- Remove the lens by pulling straight away from the main body.

- (i) Be aware of the small rubber gasket around the lens as it may come loose.

To reassemble your device, follow these instructions in reverse order.
