

HP Pavilion dm1z-3000 Battery Replacement

This guide will show you how to replace the battery for the HP Pavilion dm1z-3000.

Written By: Izaac Ornelas

INTRODUCTION

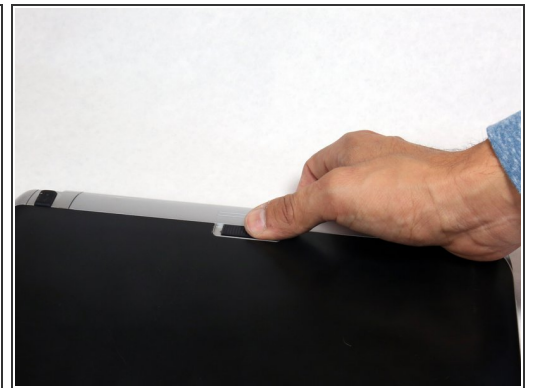

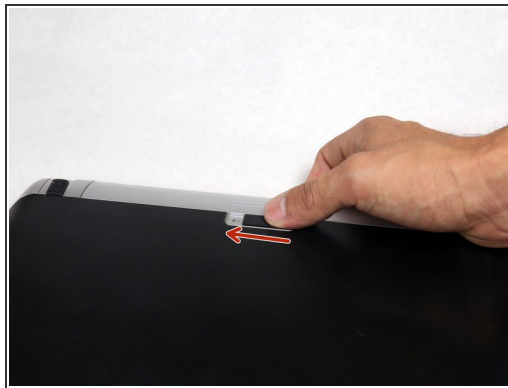

The battery gives the laptop power, and sometimes the battery may need to be replaced even when it is properly inserted.

Step 1 — Battery

- Make sure the laptop is on it's back side.

Step 2

- Pull the switch on the middle upper portion of laptop towards the battery symbol.

Step 3

- Finally, firmly pull the battery away and outwards from the laptop.

To reassemble your device, follow these instructions in reverse order.
