

Gateway MD2614u Back Cover Replacement

This guide allows the user to remove and...

Written By: Toni Pipes

INTRODUCTION

This guide allows the user to remove and replace the back cover of a Gateway MD2614u. You will use a screwdriver to remove the screws and lift off the back cover.

TOOLS:

Phillips #00 Screwdriver (1)

Step 1 — Back Cover

- Place the laptop so the back cover is facing up.

Step 2

- Remove the 8 screws from the back cover using the Phillips #00 screwdriver.

Step 3

- Lift off the cover.

This will allow you to have access to the parts of the laptop involved in the other repair guides.
