INTRODUCTION

Use this guide to replace the keyboard cover.

TOOLS:

- [Spudger](#) (1)

PARTS:

- [Sony Ericsson W580i Keyboard](#) (1)

Step 1 — Keyboard

- Use a spudger to gently pry off the bottom cover of the phone.
- There is a piece of rubber covering the microphone. This may fall off while removing the bottom cover. Do not lose this.

Step 2

- Use a spudger to gently lift up the keyboard interface from the bottom.
- Peel the keyboard up until it is freed from the phone.

Step 3

- Gently lift the key pad away from the phone.

To reassemble your device, follow these instructions in reverse order.
