

Outer Shell Replacement

Sorry for my English, I'm from Brazil And I'm...

Written By: ath67

INTRODUCTION

Sorry for my English, I'm from Brazil And I'm very happy to have a guide at iFixit

🔧 TOOLS:

[Phillips #00 Screwdriver](#) (1)

Step 1 — Outer Shell

- Remove all five screws (very easy)

Step 2

- Gently pull the covers apart to not damage the covers.

To reassemble your device, follow these instructions in reverse order.
